

SETTLEMENT AND RELEASE AGREEMENT

This Settlement and Release Agreement (“Agreement” or “Settlement Agreement”) is entered into by and between Onni Properties (Chicago) Inc. (“Defendant”), and Iyana Humphries (“Plaintiff”), individually and on behalf of the Settlement Class, in the case of *Iyana Humphries v. Onni Contracting (Chicago) Inc.*, Case No. 2020CH07544 in the Circuit Court of Cook County, Illinois, Chancery Division (the “Litigation”). Defendant and Plaintiff are each referred to herein as a “Party” and are collectively referred to as the “Parties.”

I. FACTUAL BACKGROUND AND RECITALS

1. On December 31, 2020, after an extensive pre-filing investigation, Plaintiff Iyana Humphries filed a class action lawsuit against Defendant alleging violations of the Illinois Biometric Information Privacy Act, 740 ILCS § 14/1, *et seq.* (“BIPA”) in the Circuit Court of Cook County, Illinois.

2. The Parties thereafter commenced settlement negotiations after Defendant provided Plaintiff’s counsel early confirmatory discovery regarding the correct identity of Defendant (erroneously sued and served as Onni Contracting (Chicago) Inc.) and the potential class size.

3. Following extensive arms-length negotiations, the Parties have negotiated a settlement that, if approved by the Court, will resolve all claims arising under BIPA that Plaintiff and members of the Settlement Class (defined below) have or may have had against Defendant and its related and affiliated entities, through the date on which the Parties sign this Agreement. Defendant has represented that the potential class size consists of 124 individuals who utilized Defendant’s Time-Keeping System, as defined herein, between December 31, 2015 and the present.

4. Following arm’s length negotiations, the Parties now seek to enter into this Settlement Agreement to settle the Litigation on the terms and conditions set forth herein in recognition that the outcome of the Litigation is uncertain and that achieving a final result through litigation would require substantial additional risk, discovery, time, and expense.

5. Plaintiff and Class Counsel conducted an extensive investigation into the facts and the law regarding the Litigation and have concluded that a settlement according to the terms set forth below is fair, reasonable, and adequate, and beneficial to and in the best interests of Plaintiff and the Settlement Class, recognizing (1) the existence of contested issues of law and fact, (2) the risks inherent in litigation, (3) the likelihood that future proceedings will be unduly protracted and expensive if the proceeding is not settled by voluntary agreement, (4) the magnitude of the benefits derived from the contemplated settlement in light of both the maximum potential and likely range of recovery to be obtained through further litigation and the expense thereof, as well as the potential of no recovery whatsoever, and (5) the Plaintiff's determination that the settlement is fair, reasonable, adequate, and will substantially benefit the Settlement Class Members.

6. Thus, in consideration of the covenants, agreements, and releases set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is agreed by and among the undersigned that the Litigation be settled and compromised, and that the Releasers release the Releasees of the Released Claims, without costs as to Releasees, Plaintiff, Class Counsel, or the Settlement Class, except as explicitly provided for in this Agreement, subject to the approval of the Court, on the following terms and conditions.

36. Defendant does not consent to certification of the Class for any purpose other than to effectuate the Settlement. IV. SETTLEMENT OF LITIGATION AND ALL CLAIMS AGAINST RELEASEES

39. Final approval of this Settlement Agreement will settle and resolve with finality, on behalf of the Plaintiff and the Settlement Class, the Litigation and any Released Claims the Releasees have or may have against the Releasers.

V. SETTLEMENT FUND

40. Establishment of Settlement Fund

a. Within thirty (30) days of the entry of the Preliminary Approval Order, Defendant shall pay to the Settlement Administrator the total sum of ninety-nine thousand, two hundred dollars and 00/100 cents (\$99,200.00) to establish the Settlement Fund. Provided that this Agreement is finally approved by the Court without material change, material amendment, or material modification, the Settlement Fund will be used to pay a Service Award to the Class Representative, a Fee Award to Class Counsel, the Administrative Expenses to the Settlement Administrator, and Settlement Shares to Settlement Class Members in exchange for the release and the covenants set forth in this Agreement and the dismissal of the Litigation with prejudice.

b. The funds provided by Defendant to the Settlement Administrator will be maintained by an escrow agent as a Court-approved Qualified Settlement Fund pursuant to Section 1.468B-1 et seq. of the Treasury Regulations promulgated

under Section 468B of the Internal Revenue Code of 1986, as amended, and shall be deposited in an interest-bearing account.

c. If the Settlement Agreement is not finally approved, the Settlement Fund belongs to and shall be repaid to Defendant, less any Administrative Expenses paid to date. Neither Plaintiff nor Class Counsel shall have any financial responsibility for any Administrative Expenses paid out of the Settlement Fund in the event that the Settlement Agreement is not finally approved.

d. The Settlement Fund shall be used to pay (i) all Settlement Shares to Settlement Class Members; (ii) a Service Award to the Class Representative; (iii) the Fee Award to Class Counsel; and (iv) Administrative Expenses to the Settlement Administrator.

f. The Settlement Fund represents the total extent of the Defendant's monetary obligations under the Settlement Agreement. Defendant's contribution to the Settlement Fund shall be fixed under this Section and be final. Defendant shall have no obligation to make further payments into the Settlement Fund, and shall have no financial responsibility or obligation relating to the Settlement beyond the Settlement Fund.

g. The Court may require changes to the method of allocation to Settlement Class Members without invalidating this Settlement Agreement, provided that the other material terms of the Settlement Agreement are not altered, including but not limited to the scope of the Release, the scope of the Settlement Class, and the amount of the Settlement Fund.

41. Each Settlement Class Member who does not timely file a request for exclusion from the Settlement Class shall automatically be sent a *pro rata* share of the amount remaining in the Settlement Fund after payment of the Administrative Expenses to the Settlement Administrator, any approved Fee Award to Class Counsel, and any approved Service Award to the

Class Representative. Under no circumstances will a Settlement Class Member be required to file a claim form in order to receive a *pro rata* share of the Settlement Fund.

42. Procedure for Approving Settlement.

a. Unopposed Motion for Preliminary Approval of the Settlement

i. Plaintiff will file an unopposed motion for an order conditionally certifying the Class, appointing Plaintiff's counsel as Class Counsel, appointing Plaintiff as Class Representative, appointing JND as Settlement Administrator, giving Preliminary Approval of the Settlement, setting a date for the Final Approval Hearing, and approving the Notice and directing its dissemination by the Settlement Administrator (the "Unopposed Motion for Preliminary Approval").

ii. At the hearing on the Unopposed Motion for Preliminary Approval, the Parties will jointly appear, support the granting of the Unopposed Motion for Preliminary Approval, and submit a proposed order granting conditional certification of the Class and preliminary approval of the Settlement; appointing the Class Representative and Class Counsel; approving the form of notice to the Class of the Settlement; and setting the Final Approval Hearing.

iii. For the purposes of the Settlement and the proceedings contemplated herein only, the Parties stipulate and agree that the Settlement Class shall be conditionally certified in accordance with the definition contained above, that Plaintiff shall be conditionally appointed Class Representative for the Class, and that Plaintiff's counsel shall be conditionally appointed as Class Counsel for the Settlement Class. Should the Court decline to preliminarily approve any material aspect of the Settlement, the Settlement will be null and void, the Parties will have no

further obligations under it, and the Parties will revert to the status quo *ex ante* in the Litigation as if the Settlement had not occurred.

43. Payment of Settlement Shares to Settlement Class Members

a. Each Settlement Class Member who does not file a timely request for exclusion from the Settlement will automatically receive a Settlement Share by check sent to his or her postal address, unless a request is made on the Settlement Website for payment to be made electronically via PayPal or another digital wallet acceptable to the Settlement Administrator, in which case the funds will be sent to the Settlement Class Member electronically using the instructions they provide on the Settlement Website.

b. The Settlement Administrator shall pay all Settlement Shares to Settlement Class Members (except for those who have excluded themselves from the Settlement) within thirty (30) days after the Settlement becomes Final.

c. In the event that a Settlement Class Member's check is returned as undeliverable, the Settlement Administrator shall take all reasonable measures to locate an alternative, up-to-date postal address for that Settlement Class Member, and shall redeliver such Settlement Class Member's check to the alternative postal address.

d. In the event that checks sent to Settlement Class Members are not cashed within ninety (90) days after their date of issuance, whether because the checks were not received or otherwise, those checks will become null and void. The amount of the uncashed checks after the expiration date, less any funds necessary for settlement administration, will be distributed to a *cy pres* recipient(s) selected by the Parties and approved by the Court. The Court may revise this *cy pres* provision as necessary without terminating or otherwise impacting this Settlement Agreement, provided the Court's revision does not increase the amount that Defendant would otherwise pay under this Settlement Agreement.

- e. The Settlement Administrator shall notify the Parties that all Settlement Shares have been paid within five (5) business days of the last such payment.

VI. PROSPECTIVE RELIEF

44. As a material term of this Settlement Agreement, Defendant shall undertake the following practices within thirty (30) days of the entry of the Preliminary Approval Order: destroy all biometrics in its possession, custody, or control that pertain to individuals who have not signed BIPA-compliant consent documents, and implement procedures and systems to obtain the requisite consent from employees in order to comply with BIPA should it continue to utilize the Time-Keeping System in Illinois.

VII. RELEASE

45. Upon final approval of this Agreement, and for other valuable consideration as described herein, Releasees shall be completely released, acquitted, and forever discharged from liability to the Releasors for any and all Released Claims.

46. As of the Effective Date, and with the approval of the Court, all Releasors hereby fully, finally, and forever release, waive, discharge, surrender, forego, give up, abandon, and cancel any and all Released Claims against Releasees. As of the Effective Date, all Releasors will be forever barred and enjoined from prosecuting any action against the Releasees asserting any and/or all Released Claims.

VIII. PRELIMINARY APPROVAL ORDER AND FINAL APPROVAL ORDER

47. This Settlement shall be subject to approval of the Court.

48. Plaintiff, through Class Counsel, shall submit this Agreement, together with its exhibits, to the Court and shall move the Court for Preliminary Approval of the settlement set forth in this Agreement, certification of the Settlement Class, appointment of Class Counsel and the Class Representative, appointment of JND as Settlement Administrator, and entry of the Preliminary Approval Order, substantially in the form of Exhibit B hereto, which order shall seek a Final Approval Hearing date and approve the Notice for dissemination in accordance with this Agreement. Defendant shall not oppose Plaintiff's motion for preliminary approval of the

Settlement, and shall take all steps reasonably necessary to secure preliminary approval of the Settlement.

49. At the time of the submission of this Settlement Agreement to the Court as described above, the Parties shall request that, after Notice is given, the Court hold a Final Approval Hearing approximately ninety (90) days after entry of the Preliminary Approval Order and approve the Settlement of the Litigation as set forth herein.

50. At least fourteen (14) days prior to the Final Approval Hearing, or by some other date if so directed by the Court, Plaintiff will move for (i) final approval of the Settlement; (ii) final appointment of the Class Representative and Class Counsel; and (iii) final certification of the Settlement Class, including for the entry of a Final Order and Judgment identical in all material respects to the proposed Final Order and Judgment attached hereto as Exhibit C, and file a memorandum in support of the motion for final approval. Defendant shall not oppose Plaintiff's motion for final approval of the Settlement, and shall take all steps reasonably necessary to secure final approval of the Settlement.

IX. NOTICE TO PROPOSED SETTLEMENT CLASS MEMBERS

51. Prior to the execution of this Settlement Agreement, the Parties jointly selected JND to serve as Settlement Administrator, subject to Court Approval.

52. Class List.

a. Defendant, with the assistance of any third parties as necessary, shall create a Class List, based on information within its or its agents' or contractors' possession, custody, or control (the "Class List").

b. The Class List shall include the names, e-mail addresses (if available), and last known mailing addresses of all Settlement Class Members. Defendant shall provide the Class List to the Settlement Administrator, with a copy to Class Counsel, within seven (7) days after entry of the Preliminary Approval Order.

53. Type of Notice Required.

a. The Notice, which shall be substantially in the form of Exhibit A hereto, shall be used for the purpose of informing proposed Settlement Class Members, prior to the Final Approval Hearing, that there is a pending settlement, and to further (a) inform Settlement Class Members as to the terms of the Settlement and their rights under it; (b) how to request exclusion from the Settlement Class and the proposed Settlement, if desired; (c) how to object to any aspect of the proposed settlement, if desired; (d) how to submit change-of-address or electronic payment requests on the Settlement Website; and (e) how to participate in the Final Approval Hearing, if desired. The Notice shall make clear that Settlement Shares will be sent automatically to each Settlement Class Member who does not file a request for exclusion from the Settlement, the amount of the requested Service Award and Fee Award, and the binding effect of the Settlement on all persons who do not timely request exclusion from the Settlement Class.

b. Dissemination of the Notice shall occur directly via U.S. Postal Mail and e-mail (where available) to each Settlement Class Member, and shall be the responsibility of the Settlement Administrator. Prior to dissemination of the Notice via U.S. Postal Mail, the Settlement Administrator shall take all reasonable measures (including utilize the National Change of Address directory and any other proprietary or public databases or systems) to confirm that the postal address for each Settlement Class Member on the Class List is the correct, current address for that Settlement Class Member, and shall update any outdated addresses on the Class List with the current addresses it locates. The text of the Notice shall be agreed upon by the Parties and shall be substantially in the form attached as Exhibit A hereto.

c. Notice of the Settlement shall also be posted on the Settlement Website.

54. Notice Deadline. Within fourteen (14) days of entry of the Preliminary Approval Order, the Settlement Administrator shall disseminate by U.S. Postal Mail and e-mail (where available) the Notice in the form of Exhibit A to all Settlement Class Members on the Class List.

X. EXCLUSIONS

55. Exclusion Period. Settlement Class Members will have up to and including sixty (60) days following the Preliminary Approval Order to exclude themselves from the Settlement in accordance with this Section. If the Settlement is finally approved by the Court, all Settlement Class Members who have not filed requests for exclusion from the Settlement by the end of the Objection/Exclusion Deadline will be bound by the Settlement and will be deemed a Releasor as defined herein, and the relief provided by the Settlement will be their sole and exclusive remedy for the claims alleged by the Settlement Class.

56. Exclusion Process.

a. A member of the Settlement Class may request to be excluded from the Settlement Class in writing by a request postmarked, or submitted electronically via the Settlement Website, on or before the Objection/Exclusion Deadline approved by the Court and specified in the Notice.

b. In order to exercise the right to be excluded, a member of the Settlement Class must timely send a written request for exclusion providing his/her name, address, and telephone number; the name and number of this case, a statement that he/she wishes to be excluded from the Settlement Class; and a signature. A request to be excluded that is sent to an address other than that designated in the Class Notice, or that is not electronically submitted or postmarked within the time specified shall be invalid and the person serving such a request shall be considered member of the Settlement Class and shall be bound as Settlement Class Members by the Agreement, if approved.

c. Any member of the Settlement Class who timely elects to be excluded shall not: (i) be bound by any order or the Judgment; (ii) be entitled to relief under this Settlement Agreement; (iii) gain any rights by virtue of this Settlement Agreement; or (iv) be entitled to object to any aspect of this Settlement Agreement. A member of the Settlement Class who requests to be excluded from the Settlement Class also cannot object to the Settlement.

d. The request for exclusion must be personally signed by the person requesting exclusion. So called “mass” or “class” exclusion requests shall not be allowed.

e. Within three (3) business days after the Objection/Exclusion Deadline, the Settlement Administrator shall provide Class Counsel and Defendant’s Counsel a written list reflecting all timely and valid exclusions from the Settlement Class.

f. A list reflecting all individuals who timely and validly excluded themselves from the Settlement shall also be filed with the Court at the time of the motion for final approval of the settlement.

XI. OBJECTIONS

57. The Notice shall also advise Settlement Class Members of their right to object to the Settlement Agreement and its terms. The Notices shall specify that any objection to this Settlement Agreement, and any papers submitted in support of said objection, shall be received by the Court at the Final Approval Hearing, only if, on or before the Objection/Exclusion Deadline approved by the Court, the person making an objection shall file notice of his/her intention to do so and at the same time: (i) file copies of such papers he/she proposed to submit at the Final Approval Hearing with the Clerk of the Court; (ii) that any objection made by a Settlement Class Member represented by counsel must be filed with the Clerk of the Court; and (iii) send copies of such papers via United States mail, hand delivery, or overnight delivery to both Class Counsel and Defendant’s Counsel. 58. Any Settlement Class Member who intends to object to this Settlement must include in any such objection: (i) his/her full name, address and current telephone number; (ii) the case name number of this Litigation; (iii) the date range during which he/she was employed by Defendant; (iv) all grounds for the objection, with factual and legal support for the stated objection, including any supporting materials; and (v) the objector’s signature. If represented by counsel, the objecting Settlement Class Member must also provide the name and telephone number of his/her

counsel. If the objecting Settlement Class Member intends to appear at the Final Approval Hearing, either with or without counsel, he/she must state as such in the written objection, and must also identify any witnesses he/she may call to testify at the Final Approval Hearing and all exhibits he/she intends to introduce into evidence at the Final Approval Hearing, which must also be attached to, or included with, the written objection.

59. Any Settlement Class Member who fails to timely file and serve a written objection and notice of intent to appear at the Final Approval Hearing pursuant to this Agreement shall not be permitted to object to the approval of the Settlement at the Final Approval Hearing and shall be foreclosed from seeking any review of the Settlement or the terms of the Agreement by appeal or other means.

XII. FINAL APPROVAL HEARING

60. The Parties will jointly request that the Court hold a Final Approval Hearing. At the Final Approval Hearing, the Parties will request that the Court consider whether the Settlement Class should be certified as a class pursuant to 735 ILCS § 5/2-801 for settlement and, if so, (i) consider any properly-filed objections, (ii) determine whether the Settlement is fair, reasonable and adequate, was entered into in good faith and without collusion, and should be approved, and shall provide findings in connections therewith, and (iii) enter the Final Approval Order, including final approval of the Settlement Class and the Settlement Agreement, and a Fee Award.

XIII. FINAL APPROVAL ORDER

61. The Parties shall jointly seek entry of a Final Approval Order, the text of which the Parties shall agree upon. The dismissal orders, motions or stipulation to implement this Section shall, among other things, seek or provide for a dismissal with prejudice and waiving any rights of appeal.

62. The Parties shall jointly submit to the Court a proposed order, substantially in the form attached hereto as Exhibit C, that, without limitation:

a. Approves finally this Agreement and its terms as being a fair, reasonable, and adequate settlement as to the Settlement Class Members within the meaning of 735 ILCS 5/2-801 and directing its consummation according to its terms;

b. Dismisses, with prejudice, all claims of the Settlement Class against Defendant in the Litigation, without costs and fees except as explicitly provided for in this Agreement; and

c. Reserves continuing and exclusive jurisdiction over the settlement and this Agreement, including but not limited to the Litigation, the Settlement Class, the Settlement Class Members, Defendant, and the Settlement for the purposes of administering, consummating, supervising, construing and enforcing the Settlement Agreement and the Settlement Fund.

XIV. TERMINATION OF THE SETTLEMENT

63. The Settlement is conditioned upon preliminary and final approval of the Parties' written Settlement Agreement, and all terms and conditions thereof, without material change, material amendments, or material modifications by the Court (except to the extent such changes, amendments or modifications are agreed to in writing between the Parties). All Exhibits attached hereto are incorporated into this Settlement Agreement. Accordingly, this Settlement Agreement shall be terminated and cancelled within ten (10) days of any of the following events:

a. This Settlement Agreement is changed in any material respect (except where otherwise agreed to by the Parties in writing).

b. The Court refuses to grant Preliminary Approval of this Agreement in any material respect;

c. The Court refuses to grant final approval of this Agreement in any material respect;
or

d. The Court refuses to enter a final judgment in this Litigation in any material respect.

64. The Settlement Agreement may be terminated and cancelled, at the sole and exclusive discretion of Defendant, if more than 10% of the Settlement Class Members timely and validly exclude themselves from the Settlement.

65. In the event the Settlement Agreement is not approved or does not become final, or is terminated consistent with this Settlement Agreement, the Parties, pleadings, and proceedings will return to the status quo *ex ante* as if no settlement had been negotiated or entered into, and the Parties will negotiate in good faith to establish a new schedule for the Litigation.

XV. ATTORNEYS' FEES, COSTS AND EXPENSES AND SERVICE AWARD

66. At least twenty-one (21) days prior to the Objection/Exclusion Deadline, Class Counsel will move the Court for an award of attorneys' fees not to exceed 35% of the Settlement Fund, or thirty-four thousand, seven hundred and twenty dollars (\$34,720.00), inclusive of costs and expenses.

67. Defendant agrees not to oppose an application for attorneys' fees by Class Counsel in an amount not more than 35% of the Settlement Fund, or thirty-four thousand, seven hundred and twenty dollars (\$34,720.00), inclusive of costs and expenses. Class Counsel, in turn, agree not to seek or accept attorneys' fees in excess of this amount.

68. Notwithstanding any contrary provision of this Agreement, the Court's consideration of the Fee Award is to be conducted separately from the Court's consideration of the fairness, reasonableness, and adequacy of the Settlement Agreement, and any award made by the Court with respect to Class Counsel's attorneys' fees or expenses, or any proceedings incident thereto, including any appeal thereof, shall not operate to terminate or cancel this Agreement or be deemed material thereto.

69. Within three (3) business days after the Effective Date, the Settlement Administrator shall pay to Class Counsel from the Settlement Fund the amount awarded by the Court in the Fee Award. Any payment of the Fee Award shall be paid via electronic wire transfer to an account designated by Class Counsel.

70. Class Counsel shall provide the Settlement Administrator with its completed W-9 before the payment of the Fee Award is due.

71. Prior to or at the same time as Plaintiff seeks final approval of the Settlement Agreement, Class Counsel shall move the Court for a Service Award for the Class Representative in an amount not to exceed two thousand dollars (\$2,000.00), and Defendant agrees that it will not oppose such a request. The Service Award shall be paid solely from the Settlement Fund by check written by the Settlement Administrator within seven (7) days of the Effective Date.

72. In no event will Defendant's liability for attorney's fees, expenses, and costs, settlement administration costs, and/or a Service Award exceed their funding obligations set forth in this Agreement. Defendant shall have no financial responsibility for this Settlement outside of the Settlement Fund. Defendant shall have no further obligation for attorneys' fees or expenses to any counsel representing or working on behalf of either one or more individual Settlement Class Members or the Settlement Class. Defendant will have no responsibility, obligation or liability for allocation of fees and expenses among Class Counsel.

XVI. MISCELLANEOUS REPRESENTATIONS

73. The Parties agree that the Settlement Agreement provides fair, equitable and just compensation, and a fair, equitable, and just process for compensating, Settlement Class Members for the Released Claims.

74. The Parties (i) acknowledge that it is their intent to consummate this Settlement Agreement, and (ii) agree, subject to their fiduciary and other legal obligations, to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Agreement and to exercise their reasonable best efforts to accomplish the foregoing terms and conditions of this Agreement. Class Counsel and Defendant's Counsel agree to cooperate with each other in seeking Court approval of the Preliminary Approval Order, the Settlement Agreement, and the Final Approval Order, and promptly to agree upon and execute all such other documentation as may be reasonably required to obtain final approval of the Settlement.

75. The Parties intend this Settlement Agreement to be a final and complete resolution of all disputes between them with respect to the Released Claims by Plaintiff and the Settlement Class, and each or any of them, on the one hand, against the Releasees, and each or any of the Releasees, on the other hand. Accordingly, the Parties agree not to assert in any forum that the Litigation was brought by Plaintiff or defended by Defendant, or each or any of them, in bad faith or without a reasonable basis.

76. Nothing express or implied in this Agreement is intended or shall be construed to confer upon or give any person or entity other than the Parties, Releasees, and Settlement Class Members any right or remedy under or by reason of this Agreement. Each of the Releasees is an intended third-party beneficiary of this Agreement with respect to the Released Claims and shall have the right and power to enforce the release of the Released Claims in his, her or its favor against all Releasers.

77. The Parties have relied upon the advice and representation of counsel, selected by them, concerning their respective legal liability for the claims hereby released. The Parties have read and understand fully this Settlement Agreement, including its Exhibits, and have been fully advised as to the legal effect thereof by counsel of their own selection and intend to be legally bound by the same.

78. Any headings used herein are used for the purpose of convenience only and are not meant to have legal effect.

79. The waiver by one Party of any breach of this Agreement by any other Party shall not be deemed as a waiver of any prior or subsequent breach of this Agreement.

80. This Agreement and its Exhibits set forth the entire agreement and understanding of the Parties with respect to the matters set forth herein, and supersede all prior negotiations, agreements, arrangements and undertakings with respect to the matters set forth herein. No representations, warranties or inducements have been made to any Party concerning this Agreement or its Exhibits other than the representations, warranties and covenants contained and memorialized in such documents.

81. This Agreement may not be amended, modified, altered, or otherwise changed in any manner except by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest.

82. The Parties agree that Exhibits A through D to this Settlement Agreement are material and integral parts thereof and are fully incorporated herein by this reference.

83. The Parties may agree, subject to the approval of the Court where required, to reasonable extensions of time to carry out the provisions of the Agreement.

84. Except as otherwise provided herein, each Party shall bear its own costs.

85. Plaintiff represents and warrants that he has not assigned any claim or right or interest therein as against the Releasees to any other person or party.

86. The Parties represent that they have obtained the requisite authority to enter this Settlement Agreement in a manner that binds all Parties to its terms.

87. The Parties specifically acknowledge, agree and admit that this Settlement Agreement and its Exhibits, along with all related drafts, motions, pleadings, conversations, negotiations, correspondence, orders or other documents shall be considered a compromise within the meaning of Illinois Rules of Evidence Rule 408, and any other equivalent or similar rule of evidence, and shall not (1) constitute, be construed, be offered, or received into evidence as an admission of the validity of any claim or defense, or the truth of any fact alleged or other allegation in the Litigation or in any other pending or subsequently filed action, or of any wrongdoing, fault,

violation of law, or liability of any kind on the part of any Party, or (2) be used to establish a waiver of any defense or right, or to establish or contest jurisdiction or venue.

88. The Parties also agree that this Settlement Agreement and its Exhibits, along with all related drafts, motions, pleadings, conversations, negotiations, correspondence, orders or other documents entered in furtherance of this Settlement Agreement, and any acts in the performance of this Settlement Agreement are not intended to establish grounds for certification of any class involving any Settlement Class Member other than for certification of the Settlement Class for settlement purposes.

89. This Settlement Agreement, whether approved or not approved, revoked, or made ineffective for any reason, and any proceedings related to this Settlement Agreement and any discussions relating thereto shall be inadmissible as evidence of any liability or wrongdoing whatsoever and shall not be offered as evidence of any liability or wrongdoing in any court or other tribunal in any state, territory, or jurisdiction, or in any manner whatsoever. Further, neither this Settlement Agreement, the Settlement contemplated by it, nor any proceedings taken under it, will be construed or offered or received into evidence as an admission, concession or presumption that class certification is appropriate, except to the extent necessary to consummate this Agreement and the binding effect of the Final Order and Judgment.

90. The provisions of this Settlement Agreement, and any orders, pleadings or other documents entered in furtherance of this Settlement Agreement, may be offered or received in evidence solely (1) to enforce the terms and provisions hereof or thereof, (2) as may be specifically authorized by a court of competent jurisdiction after an adversary hearing upon application of a Party hereto, (3) in order to establish payment, or an affirmative defense of preclusion or bar in a subsequent case, (4) in connection with any motion to enjoin, stay or dismiss any other action, or (5) to obtain Court approval of the Settlement Agreement.

91. This Agreement may be executed in one or more counterparts exchanged by hand, messenger, facsimile, or PDF as an electronic mail attachment. All executed counterparts and

each of them shall be deemed to be one and the same instrument, provided that counsel for the Parties to this Agreement all exchange signed counterparts.

92. This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Parties hereto and the Releasees.

93. The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of this Agreement, and the Parties hereby submit to the jurisdiction of the Court for purposes of implementing and enforcing the settlement embodied in this Agreement.

94. This Agreement shall be governed by and construed in accordance with the laws of the state of Illinois.

95. This Agreement is deemed to have been prepared by counsel for all Parties as a result of arms-length negotiations among the Parties. Whereas all Parties have contributed substantially and materially to the preparation of this Agreement and its Exhibits, it shall not be construed more strictly against one Party than another.
